

HUATRA

BY METHEE EST. 1972

Huatra is a B2B brand by Methee, a family-run cashew producer rooted in Phuket for over 50 years. Every cashew is carefully hand-selected and crafted locally in Phuket.

Phuket has been a UNESCO Creative City of Gastronomy since 11 December 2015 — the first in Thailand and ASEAN. Phuket's official City of Gastronomy platform also specifically features cashew nuts and a local cashew drink among the island's gastronomic products (UNESCO, 2015).
